POSITIVE INDIAN PARENTING CLASSES

THE EIGHT LESSONS:

**Traditional Parenting
Lesson in Storytelling
Lesson of the Cradleboard
Harmony in Child-rearing
Traditional Behavior Management
Lesson of Mother Nature
Praise in Traditional Parenting
Choices in Indian Parenting**

For hundreds of years, Native parents followed traditions that never left parenting to chance. Though we may live in a very different time than our grandparents, we have the same responsibilities as parents... We nurture and protect our children and help them learn society's beliefs and values by combining teachings from both worlds.
